

Matching Gifts

Each company has its own guidelines for employees, spouses, retirees, and widows/widowers. Most corporate procedures are simple:

1. Request a matching gift form from your company.
2. Complete and submit the form to the VHS along with your gift.
3. We will verify the completed form and return it to the company. In the meantime, you will receive an acknowledgement for your personal gift.
4. The company issues a matching gift contribution to VHS, and you will receive an acknowledgement of your company's matching contribution.

Completed forms can be sent with your personal gift to:

Virginia Historical Society
Attn: Elaine McFadden
P.O. Box 7311
Richmond, Virginia 23221-0311
